 - Care packages were in the office prior to break and are now gone. Laura claimed that they are expired. She also disposed of our candy gift bags, so we are unable to pass them out for our prior-planned welcome week activity. The care packages were set aside for students returning this semester in East.
 - Cultural lounge is closed in Waring comments, which is one of few places that has ethernet cable accessibility. We emailed Laura about this to discuss the possibility of opening this back up

Old Business:

New Business:

- ARHS is looking for a list of questions to ask Conal Carr about ethernet:
 - What percentage of students are using publicly accessed ethernet ports?
 - How much would it cost the University to keep the ethernet ports on until they redo the buildings in West?
 - Where can students report their issues that they are with Wifi connections?
 - What percentage of students need to be using ethernet for them to change their mind? (Clear guidelines on the basis for keeping/removal)

Hepper fitness center system needs to be cleaned up because it is difficult to obtain a slot
