Open Student Forum

- Sisters on the Runway: Penn State (Vice President Lauren Shearer)
    - Looking for a ARHS Representative to come to ARHS
    - Laura: Confused as to what you meant by that, we can talk later.

    - Lauren: Sounds great.
    - Theresa: Why did you guys request UPAC Funding?
    - Lauren: I'll have to find out from our President.
- NEXUS (Miranda Sill)
    - Robert: How did you hear about ARHS?
    - Miranda: I was a member of PHRA last year and heard about it.
    - Hannah: Where are you getting the other sum of money?
    - Miranda: The college supplies with $2,000 which usually isn't enough.
    - Theresa: Can you speak on how funding is handled through the college?
    - Miranda: Our funding has decreased this year and has usually been run through the college. The power has transitioned to the club now so we're in charge of fundraising.
    - Theresa: Why didn't you apply for UPAC funding?
    - Miranda: We thought this was the more direct, appropiate line for funding.
    - Theresa: How many people usually attend?
    - Miranda: The event is open to the public and we generally work with 1,000 students but it depends on people moving in and crowd sizes. Anywhere from 1,500-2,000 students.

    - John: Essentially.. But other universities have been dealing with MUMPs in waves as well.
    - John Mc: How are sharps currently dealt with on campus?

    - Have a great summer! I'm excited for next year!

    - Laura: I think we would hope that people would let us know ahead of time.
    - Rob: Bi-weekly instead of weekly?
    - Kayla: Yeah I was going to gauge it upon how busy ARHS was and everything going on.

    - Nick M: Didn't we already do this in the past?
    - John Mc: Yeah
    - Kayla: It's just something we're interested in doing it again. So it would be a little more formalized and set up in advance.

    - Nick M: Is that required? Does the hub mandate the hours?
    - Laura: Chair holders and the executive board are required to have office hours.
    - Brian: Who would be holding office hours?
    - Kayla: Right now we can only enforce chair members and the executive board but we'd like all members to.
    - Rob: When we used to enforce office hours, we had all voting members hold office hours.

Forum Break 7:27
Open Discussion 7:40

- QPOC
    - Amanda: They said they're requesting from $1,000 to $4,400. Did they ever make it more specific?
    - Laura: We can pull up the slides from last week.
    - Brian: I think $4,400 is a bit much. $2,000 seems more reasonable and is in line with other requests.
    - Kayla: Does anyone have any other suggestions on the value we should pass?
    - Chris: Why was it tabled?
    - Kayla: We discussed it last week and had to suspend the constitution. Ultimately everyone decided to push this request until we had quorum.
    - Laura: They needed $4,560 in the presentation provided last week.

- Sisters On The Runway
    - Rob: I'm really glad they came back to us with a presentation and amount. I think working with them is great.
- NEXUS
    - Rob: Just seems like they're coming to us for money.
    - Theresa: $2,000 seems a little much. But they are working with a lot of students, about 1,000, so I think we should fund them but not the full amount.
    - Chris: Just a reminder that Residence Life and Eberly College are pretty intertwined and have a big connection with SLO's. So we could benefit SLO students.
    - Hannah: When I first came here, I went to a similar event with a ton of freshman. There were organization tables at the fair and maybe we can see if ARHS can have a table if we're going to give them money? It's an awesome event with a huge audience we tailor to. I'm personally a part of an SLO and see the benefits. We should fund the whole amount.
    - Theresa: I pretty much agree and a lot of the time we put the strain on groups to partner with us so it would be nice to offer our partnership this time.

    - Mark: This is a college event. The college pulled the money and now they're coming to you all to fund the event. I struggle with that because I don't know if a lot of other colleges will come to you and do the same thing. I'm just concerned about how this has come about.

- Casino Night (EHRA)
    - Rob: They're putting on an event which is really really nice. They're super excited about it and it's only $200.
    - Chris: If anyone would like to come and help or come play poker, it would be really nice. I made up a google sheet for sign ups if anyone is interested.

- Banquet Budget Request

    - Nick: It needs to be voted on by the Vice President.
    - Laura: Can we agree to move on and go back when we hear from Kyle?
    - Kayla: Kyle said simple majority would pass, 5-3-2 passes.
    - Rob: An abstention does not count towards the vote, so it would pass 5-4 because it would be out of 9.
    - Nick: Can we get that defined in the constitution?

<u>Elections</u>

- Elections
    - Rob: I move to open elections
    - Brian seconds
- Paige Fox: Panhellenic Council Liaison
    - Laura: Kay has nominated Paige Fox for Panhel Liaison
    - Paige accepts her nomination
    - Rob: What are your other time commitments?
    - Paige: I'm a member of a sorority, so 3-5 hours a week and I'm taking 16 credits next semester
    - Hannah: So what goals do you see for the relationship with Panhel and ARHS?
    - Paige: Things like the Lighting Tour, collaborating on events together is a great first start
    - Brian: Do you feel being in a sorority gives you a bias?
    - Paige: I think it gives me a perspective of both ARHS and sorority life.
    - Brian: No, I mean do you think you'd be more willing to cooperate more with your sorority rather than the entire Panhel?
    - Paige: No, Panhel doesn't really allow me to do that.
    - Paige is elected Panhellenic Council Liaison

- Mitch Rosen: Movin' On Liason
    - Laura: Kay has nominated Mitch Rosen for Movin' On Liason
    - Mitch accepts his nomination
    - Andrew: Will you have another position in Movin' On next year?
    - Mitch: No

    - Hannah: What are your other time commitments?
    - Mitch: I am a chair for Springfield, a THON organization, but I have been a chair with Springfield and have balanced it so far.
    - Mitch is elected Movin On' Liason

- Hannah Yost: Health & Wellness Chair
    - Laura: Kay has nominated Hannah Yost for the Health & Wellness Chair
    - Hannah accepts her nomination
    - Rob: Being in the position for a semester now, what is the hardest thing you had to deal with and how will you overcome it?
    - Hannah: The hardest thing was realizing how many people I can and have to talk to. The scope of the position is bigger than I originally thought but I've gained considerable traction and knowledge with it. I now have familiar faces and places I can go to when I want to get an idea off the ground.
    - Rob: Being SHRA President next year, what other commitments will you have next year?
    - Hannah: Essence of Joy, a possible chem class grader, and 14 credits next year
    - Brian: You talked a lot about immunization health and mental health, but not a lot about physical health. What about that?
    - Hannah: One idea I have is to improve the gym experience. I've gotten feedback from students that have said the gyms are quite dirty. I want to talk to people in charge of the gyms to improve their experience when working out. I also want to have somebody from Health Works come speak to us.
    - Hannah is elected Health & Wellness Chair

- Amanda Klovekorn: Recruitment Chair
    - Laura: Kay has nominated Amanda Klovekorn for Recruitment Chair
    - Amanda accepts her nomination
    - Hannah: One of the biggest issues we talked about was the problem going on in East. How do you plan on tackling that?
    - Amanda: One thing we talked about was having the current East Exec Board return next year and help mentor the new Exec Board. I think we should also hold off on electing new members for East, the 2nd meeting of the year seems a little too soon for freshman to be able to know the implications and responsibilities that come with the positions.
    - Rob: Say you were to recruit members. What's a word or phrase you'd use to describe ARHS?
    - Amanda: Student Advocacy
    - Brian: How comfortable are you talking with random people you've never met?
    - Amanda: I can do that
    - Brian: What's your Myer-Briggs?
    - Amanda: INTJ
    - Cameron: Would the points system be semester based?
    - Amanda: That's up for discussion.
    - Hannah: What were the biggest issues you saw this semester that you'll be trying to fix next semester?
    - Amanda: The lack of freshman membership.. So I'd like to work with East and help retain membership from freshman and retain membership overall. Nobody wants to join an organization with a lot of old members.
    - Amanda is elected Recruitment Chair

- Rob motions for a 3 minute recess at 8:51
- Motion passes
- Meeting called back to order at 8:54

- Amanda Klovekorn: PR Chair
    - Laura: Kay has nominated Amanda Klovekorn for Public Relations Chair
    - Amanda accepts her nomination
    - Rob: Do you have experience making posters or advertisements for other events?
    - Amanda: I guess I have experience making posters or something similar to that.
    - Brian: How social media savvy are you?

    - Amanda: I'd say pretty savvy, I'm a millennial.
    - Amanda is elected Public Relations Chair

- Nick Mahon: Sustainability Chair
    - Hannah nominates Nick Mahon for Sustainability Chair
    - Rob seconds
    - Nick accepts his nomination
    - Brian: Since you won't have a co-chair, how do you feel your time commitment will be impacted?
    - Nick: I think we'll be ok. Tucker and I worked collaboratively on things, so it won't be much different. My only concern would be not being able to attend a meeting.
    - Rob: Being in the position for a year, what's the biggest challenge you faced?
    - Nick: The fact that housing has control over a lot of things I would like to change. I'm going to be an intern this summer and would like to work with OPP.
    - Hannah: What are your other time commitments?
    - Nick: I will be taking 14 credits and hopefully an RA. I also have a job with OPP.
    - Nick Mahon is elected Sustainability Chair

- Nick Mahon & Julia Bollinger: Campus Safety & Security Co-Chairs
    - Brian nominates Nick Mahon & Julia Bollinger as Campus Safety & Security Co-Chairs

    - DRAG Her - QTPOC's 1st Annual Fashion Show and Drag Competition

    - Thursday, April 27th at 8PM in Heritage Hall
- Describe The Event
    - DRAG Her will be QTPOC's first annual fashion show and drag competition, hosted by Penn State alum/actress Jerrie Johnson and drag superstar Naomi Smalls. We will be showcasing local and national drag icons and prominent members of the community to produce an event that will promote the arts, diversity, and self-expression.
    - The event will be an opportunity for students to express themselves and have fun in an open and safe environment. For the rundown of the program: Ten student drag queens are expected to perform and four fashion scenes designed by students will be featured over the course of the program.
- History of Event
    - This will be the first annual drag show hosted by QTPOC. We want to feature prominent members in the Queer and Trans People of Color (QTPOC) community moving forward and host more programs similar to this vision in the future.
- How will this event benefit on campus students?
    - We intend to showcase local drag performers and national icons in the LGBTQA+ community to raise awareness about our community. Drag culture is very prominent in the community, so we hope to create an environment that promotes a more diverse, inclusive and accepting campus. We embrace all expressions of gender and self-identity, so we want to celebrate the art and talent of Queer and Trans People of Color (QTPOC). For on-campus students, we want to create a safe space for them to learn about others and celebrate their own identities.
- Have you applied for UPAC Funding?
    - Yes (received $10,815.00)
- How much financial assistance are you requesting from ARHS?
    - $1,000 - $4,400
- How will this funding be used?
    - The funding will be primarily used to help pay for the clothing and set design in the fashion show portion of the program. Since UPAC covered honoraria for our guests, we are asking for more funding to help with other parts of the production. We will be contracting a local artist in the community to design and produce the clothing to be displayed and showcased during the fashion show portion.
- Would you be willing to advertise ARHS as a sponsor?
